## Health Data Literacy & Applications for Tribal Health WORKSHOP

NPAIHB is excited to present the Health Data Literacy & Applications for Tribal Health Workshop! This training provides an excellent opportunity to gain (or refresh) skills in finding, understanding, presenting and applying health data.

**WHEN: September 6-7 2017**

**WHERE: Northern Quest Resort & Casino, Spokane**

**WHO:** This will be a very practical skill building session for grant writers, data analysts, health professionals, tribal leaders, policy makers, community planners and students.

**WHAT:** The workshop will cover:

- Health statistics 101
- Where to find public health data for AI/AN communities
- Best practices for presenting data effectively
- How to get started with collecting and mapping data using Open Source Geographic Information System (GIS) software.
- Putting data to use for community development and health programs

**COST: Free!** There is no registration fee for this workshop, and travel scholarships are available for those who are members of or working with NW Tribes (apply during registration). *Travel scholarships are limited, so register as soon as you can!*
