The Centers for Medicare & Medicaid Services (CMS) will conduct Tribal Consultations on several recently published proposed rules that have Tribal implications. A Dear Tribal Leader letter has been sent to all tribes and a copy can be found at [www.cms.gov](http://www.cms.gov), on AI/AN webpage under Outreach and Education.

To facilitate these consultations and ensure that your issues and concerns are considered, we invite you to participate in the All Tribes' Calls listed below. We also encourage you to submit any written comments you may have within the 30-day comment period as outlined in the *Federal Register* notices. We have provided the web links to permit you to access each proposed rule.
