

# NORTHWEST DIABETES MANAGEMENT SYSTEM TRAINING

Sponsored by:  
Northwest Portland Area Indian Health Board  
2121 SE Broadway, suite 300  
Portland OR 97201

Attention diabetes coordinators, CHR's nutritionists, health care providers, and data entry personnel! You are invited by the Northwest Portland Area Indian Health Board to our Northwest Diabetes Management System Training. Participants will receive hands-on instruction in the Diabetes Management System package for RPMS (BDM) in both the "roll and scroll" interface and the Visual DMS graphical user interface (GUI). Topics include building and maintaining diabetes and pre-diabetes registers, editing patient information, and running register and quality assurance reports. Additional topics include using QMAN for custom searches to meet needs that commonly arise for diabetes programs, creating panels of patients in iCare, and performing the annual IHS Diabetes Audit with WebAudit. Instruction is hands-on using a training server with mock patient data.

**Please check the box beside the training you are interested in attending. Or click [here](#) to register online.**

March 11 - 13, 2014

June 3 - 5, 2014
