

20th Anniversary
2008 Native Health Research Conference
 Exploring the Interface Between Science and
 Tradition in Native Health Research

Agenda

PROGRAM AT A GLANCE															
	8AM	9AM	10AM	11AM	12 PM	1PM	2PM	3PM	4PM	5PM	6PM	7PM	8PM		
Mon 8/25					Registration										
					Pre-Conference Workshops										
								HRAC mtg (4:30-6:30) Invitation only							
								NHLBI mtg Invitation only				Welcome Reception			
Tues 8/26	Registration														
	Internet Café														
	Career Corner														
	General Session								Rezercise 3:45-4:45						
	Scientific Posters/Exhibit Hall												NRN Annual Membership Meeting (5:30-7:30)		
Wed 8/27	Registration														
	Internet Café														
	Career Corner														
	General Session				Special Sessions (10:45-Noon)		Breakout Sessions (1-4:30) Closing Remarks (4:30-5:00)				Night at the Movies "The Miss Navajo Pageant" (6:30-7:30)				
	Scientific Posters/Exhibit Hall														
Thur 8/28	Registration														
	Internet Café														
	Career Corner														
	General Session	Special Sessions	Breakout Sessions 10-11:30	Awards Luncheon 11:30-1:00pm		NARCH Investigator's Town Hall 1:30-3:00		Post-Conference M&M (Invitation only) 3:30-4:30							
	Scientific Posters/Exhibit Hall														

Monday, August 25, 2008

11:00-5:00 pm **Registration** **Lobby**

1:00-4:00 pm **Pre-Conference Workshops**

Process, Development and Content of Indigenous and Aboriginal Research Guidelines **Multnomah**

Leslie Randall, RN, MPH, *Nez Perce*

Doris Cook, MPH, *Akwesasne Mohawk*
Immediate Past Co-Chair, Native Research Network, Inc.

Alan Trachtenberg, MD, MPH
IHS Research Director (Acting) and Human Research Protection Administrator

Health Communication's for Your Community **Crown Zellerbach**

Larry Wallack, MPH, Dr.PH
Dean - College of Urban & Public Affairs
Portland State University

Patricia Philbin
Graphics Illustrator
Dept. of Family and Community Medicine
University of Arizona

6:00-8:00 pm **Welcome Reception**

Hosted by the Northwest Portland Area Indian Health Board **River Terrace /River Deck**

Entertainment by the SUMO BAND

Examining our assumptions about the ethics and practice of health research in native communities

Tuesday, August 26, 2008

8:00-8:30 am **Blessing** **West Salon**

Ed Edmo, *Shoshone Bannock*
Portland, OR

8:30-9:00 am **Opening Remarks**

Teshia G. Arambula Solomon, PhD, *Choctaw*
Co-Chair, Native Research Network, Inc.
Co-Director, Native American Research and Training Center
Associate Professor, Department of Family and Community Medicine,
University of Arizona

Introduction of Sponsors

Greetings from the Northwest Portland Area Indian Health Board
Northwest Portland Area Indian Health Board
Linda Holt *Suquamish*
Northwest Portland Area Indian Health Board Chair

Greetings from the Indian Health Service

RADM Richard Church, PharmD, *Ottawa*
Director, Office of Public Health Support
Indian Health Service

9:00-9:50 am Plenary Session West Salon

Ethics in Native Health Research

Moderator Phil Smith, MD, MPH, *Dine'*
Director, Division of Planning, Evaluation and Research, Indian Health Service

Point Integrity in Native health research requires that investigators retain some degree of
academic freedom in the analysis and reporting of their findings.

Jace Weaver, PhD, JD, *Cherokee*
University of Georgia

Counter Point Accountability in Native health research requires that tribal governments retain
sweeping control over the analysis and reporting of research findings from their
communities.

Grayson Noley, PhD, *Choctaw*
University of Oklahoma

9:50-10:30 am Audience Response and Discussion

Phil Smith, MD, MPH, *Dine'*

10:30-10:45 am Summation

Doris Cook, MPH, *Akwesasne Mohawk*
Immediate Past Co-Chair, Native Research Network, Inc.

10:45-11:00 am Refreshment Break East Salon

11:00-Noon DHHS Native Health Research Advisory Council Town Hall West Salon

Moderator Wilbur Woodis, MA, *Dine'/Zuni*
Office of Minority Health

H. Sally Smith, *Yupik*
Co-Chair, American Indian/Alaska Native Health Research Advisory Council,
Chester Antone, *Tohono O'odham*
Phoenix Delegate, American Indian/Alaska Native Health Research Advisory
Council

Noon-1:30 pm Lunch on Your Own

1:30-2:20 pm Plenary Session West Salon

Practice Issues in Native Health Research

Moderator C. June Strickland, PhD, *Cherokee*
University of Washington

Point Traditional healing should remain segregated from institutionalized health care.

Jeff Henderson, MD, MPH, *Cheyenne River Sioux*
Black Hills Center for American Indian Health

Counter Point Traditional healing should be incorporated within institutionalized health care.

Donald Warne, MD, MPH, *Oglala Lakota*
Health Policy Research Director, Inter Tribal Council of Arizona
President & CEO, American Indian Health Management & Policy

2:20-3:00 pm	Audience Response and Discussion C. June Strickland, PhD, <i>Cherokee</i> University of Washington	
3:00-3:15 pm	Summation H. Sally Smith, <i>Yupik</i> Chair, National Indian Health Board	
3:15-3:30pm	Closing Remarks Victoria Warren-Mears, PhD Director, Northwest Epidemiology Center Northwest Portland Area Indian Health Board	
3:30-4:30 pm	Poster Session	East Salon
3:45-4:45 pm	Rezercise An invigorating yoga and physical movement activity Vanessa ShortBull, <i>Ogalala Sioux</i>	River Terrace
5:30-7:30 pm	Native Research Network, Inc. Annual Membership Meeting	Clackamas

Examining our assumptions about the Epistemology of health research in native communities

Wednesday, August 27, 2008

8:00-8:30 am	Blessing Geraldine Jim, <i>Confederated Tribes of Warm Springs</i> Warm Springs, OR	West Salon
8:30-9:00 am	Opening Remarks Dean Seneca, <i>Seneca</i> Co-Chair, Native Research Network, Inc. Dean S. Seneca, MPH, MCURP Health Scientist Policy, Tribal Portfolio, Portfolio Management Program, Office of the Chief of Public Health Practice Centers for Disease Control and Prevention Announcements	
9:00-9:50 am	Plenary Session Epistemology of Native Health Research Tim Gilbert, MPH, <i>Inupiat/Tsimpsian</i> Senior Director, Community Health Services Alaska Native Tribal Health Consortium	West Salon
Moderator		
Point	Scientific and traditional explanations depend on largely incompatible ways of knowing, and one should be accorded primacy over the other in Native health research Clara Sue Kidwell, PhD , <i>White Earth Chippewa</i> University of North Carolina	

Counter Point Scientific and traditional explanations have always co-existed in indigenous communities, and conflicts between them are rare or trivial in Native health research
Keith James, PhD, *Onandaga*
Portland State University

9:50-10:30 am Audience Response and Discussion
Tim Gilbert, MPH, *Inupiat/Tsimpsian*
NRN, Board Member-At-Large

10:30-10:45 am Summation
Richard E. Atleo, PhD, *Nuu-chah-nulth*
University of Victoria

10:45-11:00 Refreshment Break East Salon

11:00-Noon Special Sessions I
Moderator Delight Satter, MPH, *Umpqua/Kickitat of the Confederated Tribes of Grand Ronde*

0.1-0.6 **Student Research Slam Multanomah**

Actigraphic assessment of Neonatal Abstinence Syndrome in Newborn Infants with Prenatal Opiate Exposure.
Jonathan A. Paul

Depression in Native American Women
Yolanda Nez

Overrepresentation of First Nation Children’s Child Welfare Care and First Nation Women Ordered to Pre-existing Addiction Treatment
Trica McDiarmid

Interactive Web Tools to Modify HIV Risk Behavior
Kyle K. Ethelbah

An understanding of cultural protective factors and reasons for living that protect against suicide with young adults in Yup’ik villages in rural Alaska.
Tonie Marie Quaintance

Developing a Pain Assessment Instrument for American Indians
Emily Haozous

1.1 - 1-5 **CBPR from the Community Perspective Clark**
Developing a Large Multi Center CBPR Grant to NIH/IHS NARCH V

Moderator Janet R. Katz

CBPR Grant Writing Preparation: Finding the Research Questions
Janet R. Katz

Building Partnerships to Create The Northwest Indian College Center for Health (NWCCH)
William Freeman

Northwest Indian College Center for Health Growing Our Own Native American Students and Faculty
Rosalina D. James

CBPR and Developing Trust in Research Partnerships to Understand Native Pathways to Sobriety

Lisa Rey Thomas

HOPE Works and the Coharie Tribe: A Community-Based Participatory Research Success Story

Salli Benedict

2.1 -2.5 **Special Session on Native Hawaiian Issues** **Clackamas**

Moderator Maile Taualii

Community Influences on Breastfeeding Described By Native Hawaiian Mothers

Joan E. Dodgson

Traditional Hawaiian Healing Practices with Veterans with PTSD: A Pilot Study

Kathleen S. Pierce

Healthcare and Social Service Provider Descriptions of Asian and Pacific Islander Mothers' Breastfeeding Patterns

Jeanie L. Flood

Ke 'Ano Ola Healthy Lifestyle Program on Moloka'i

Kapuaola Gellert

Community Needs and Assets of a Native Hawaiian Community

Donna-Marie Palakiko

3.1- 3.5 **Effectiveness of CBPR Projects Defining Effectiveness in Culturally-Based Programs** **West Salon**

Moderator Barbara J. Friesen

Using Community Definitions of Success as a Basis for Selecting Outcome Measures

Terry L. Cross

Building a Program Evaluation Framework from Community-Based Research

Barbara J. Friesen

Development of a Research Based Case Assessment and Planning Tool

Terry L. Cross

Policy and Practice Implications of EBP for Culturally-Based Programs; Finding Solutions Through Collaborative Problem Solving

Nichole June Maher

South Dakota Tribal PRAMS: Tribal Collaboration and Protocol Modifications Lead to Increased Response Rates

Jennifer S. Irving

4.1 - 4.4 **Traditional Practices in Research** **Washington**

Moderator Doris Cook

Historical Trauma Genograms: Incorporating Traditional Knowledge Into Clinical Practice, Community Service Programs, and Behavioral Health Research

Thomas J. Ball

Developing a Traditional Food Guide for Alaska Native Cancer Patients

Christine DeCourtney

Indigenizing and Mapping Theories of Space and Place, Embodiment, and Health

Ramona Beltran

An Exploration of Knowledge Translation in Aboriginal Health in British Columbia, Canada

Jeff Reading

Noon-1:30 pm Lunch on Your Own

1:30-3:00 pm Breakout Sessions I

5.1 - 5.5

Fostering Community-Based Participatory Research Partnerships Between Montana Tribal Communities and Health Researchers Through the Center for Native Health Partnerships at Montana State University

Washington

Moderator

Elizabeth Rink

The Apsáalooke Health Advocate Program: Using Community-Based Participatory Research to Promote Cultural Competence in Health Care

Bethany Letiecq

Developing The Blackfeet and Academic Partnership for Palliative Care

Yoshiko Colclough

A Formative Evaluation of Health Concerns on the Northern Cheyenne Indian Reservation

Sara Young

Building Collaboration Among American Indian Tribes and Cancer Researchers

Sharon Austin

The Construction of an Interview Guide: Negotiating Insider/Outsider, Community, and Research Politics

Selina A. Mohammed

6.1 - 6.5

Using Community-Based Participatory Research Methods to Develop a Large Cohort Study of Alaska Native Adults

Clark

Moderator

Anne Lanier

Health and Related Behaviors of Native Elders in Alaska

Sharon A. Haymes

Visual Impairment and Eye Care Among Alaska Native People

Jessica D. Leston

Smokeless Tobacco Use Among Native People in Alaska

Julia J. Smith

Strategies for Successful Retention of Alaska Native and American Indian Study Participants

Diana G. Redwood

Traditional Food and Physical Activity Patterns and Associations With Cultural Factors in a Diverse Alaska Native Population

Diana G Redwood

7.1 - 7.6	Community-Responsive Interventions to Reduce Cardiovascular Risk	Clackamas
Moderator	Jared B. Jobe	
	Overview of Community-Responsive Interventions to Reduce Cardiovascular Risk in American Indians and Alaska Natives Jared B. Jobe	
	Prevention of Obesity Beginning at Birth: A Community-Based Intervention to Prevent Obesity in American Indian Children: Intervention Design and Rationale Tam Lutz	
	Women's Health Behaviors Reflect Their Health Status: Results From the Healthy Children, Strong Families Study Alexandra Adams	
	Native Healthy Lifestyle: A Return to Balance Elisa T. Lee	
	Give Someone Life, Help Someone Live: Design and Methods for a Tribally-Based CVD Prevention Project Karina L. Walters and June La Marr	
	A Web-Based, Patient-Centered Approach to CVD Risk Factor Management and Reduction: Design and Methods Jeffrey A. Henderson	
8.1 - 8.5	Issues in Cancer	Multanomah
Moderator	Kelly Gonzales	
	Addressing Cultural and Tribal Issues in Breast Cancer Marlene M. von Friederichs-Fitzwater and Linda Navarro	
	Improving American Indian/Alaska Native Cancer Surveillance Melissa A. Jim	
	Influence of Cultural Factors on Mammography Use Among American Indian Women Angela Gonzales	
	Evaluation of Cancer 101: A Cancer Education and Training Program for American Indians and Alaska Natives as a Best Practice Teresa Guthrie	
	Colorectal Cancer among Alaska Native People, 2002-2006 Janet J. Kelly	
9.1 - 9.5	A Call To Action	Overton
Moderator	Teshia Solomon	
	Research Policies, Processes, and Protocol: The Navajo Nation Health Research Review Board (NNHRRB) Kalvin White	
	Using a Mail Out Survey to Assess the Cultural Strength of Families and Communities on	

the Navajo Nation
Carmelita Sorrelman

Honoring Traditional Beliefs in Scientific Research Through Community Regulation of Research
Puneet Chawla Sahota.

Improving Health Access and Outcomes in Native American Communities: What Can Tribes Do?
Stephanie Carroll Rainie

Improving Health Data Collection on Numerically Small Populations: A Call to Action
Sela V. Panapasa

10.1 -10..5	Substance Abuse	West Salon
Moderator	Alan Trachtenberg	

Urban Native American Substance Abuse Treatment Clients and Services
Rosalynn R. Ringor-Carty

Prevalence and Correlates of Methamphetamine Use and Nonmedical Use of Prescription Pain Relievers Among American Indians and Alaska Natives
Megan Hoopes

Race/Ethnicity Comparisons in Self-Reported Drug Use: Comparisons Over Four Years
Michael Fendrich

Addressing HIV Prevention Concerns Amongst Native Injection Drug Users Through the Adaptation of an Evidenced-Based Group Level Intervention
Anno Nakai

Community Partnerships for Preventing Underage Drinking in Native Californian Youth
Juan Luna

3:00-3:15	Refreshment Break	East Salon
------------------	--------------------------	-------------------

3:15-4:45	Breakout Sessions II	
11.1 -11.5	Diabetes Prevention and Care	Washington
Moderator	Priscilla Sanderson	

Secondary Preventive Care Utilization Among Native Americans Diagnosed With Diabetes
Ashley R. Tuomi

Impact Evaluation of a Pre-K/K to 12 Diabetes Education for Tribal Schools (DETS) Curriculum
Douglas B.Coulson

Effect of Lower Targets for Blood Pressure and LDL Cholesterol on Atherosclerosis in Diabetes: The Stop Atherosclerosis in Native Diabetics Study (SANDS) Randomized Trial
Jeffrey Henderson

Literature Review of Specifically Tailored Interventions for Ethnic Groups with Type 2 Diabetes Mellitus
Dennis Raisch

Searching Interactive AIAN Health Data: Diabetes in Pregnancy, Infant Mortality, and Cancer
William Freeman

12.1 -12.4 **Issues In Suicide and In Youth** **Clark**
Moderator Lawrence Shorty

Preliminary Results of a Native Youth Suicide Prevention Survey
Anna Rockhill

Red Hawk Project: Assessing the Suicide Related Service Needs of the American Indian and Alaska Native Community of Los Angeles.
Monique Smith

The Effects of Substances on the Heart”, Do Drugs and Die!!!
Janeen Gray

A University Pow Wow and Native Student Wellness: A Narrative Study to Describe Wellness Associated With Culture
Carina Miller and Claudia Long

13.1 -13.5 **Health Across Generations** **Clackamas**
Moderator Phil Smith

American Indian and Alaska Native Elder Health in California
Delight E. Satter

Missing Cohorts of Caregivers Among American Indian and Alaska Native Communities
Mario D. Garrett

Raising Awareness of Alzheimer’s disease in Arizona Native American Tribes
Filmer Lallo

Successful Aging Through the Eyes of Alaska Natives: The Health and Well-being of Alaska Native Communities
Jordan P Lewis

Using the American Indian and Alaska Native Oral Tradition to Record Family Health History
Alice Park

14.1 - 14.5 **Lessons In Cancer** **Multanomah**
Moderator Debra Isham

Ten Lessons Learned from Conducting Community Driven Research in a Tribal Setting in Northern Arizona
Lori Martin

Developing a Collaborative Research Partnership Between the Gila River Indian Community and the Mayo Clinic to Address Breast Cancer Health Disparities: the Process and Lessons Learned
Michele Halyard

Improving American Indian Cancer Surveillance and Data Reporting in Wisconsin.
Rick Strickland

Camp Coho: A Culturally Appropriate Grief Camps for Alaska Native Children

Karen M. Mitchell

Talking Circle for Comanche Women's Breast Health

Valerie Eschiti, Emily Haozous and Jana Lauderdale

15.1 - 15.5 **Violence Prevention** **Overton**

Moderator Rudolph Ryser

Community-Based Intervention to Promote the Well-Being of To'Hajiilee Through Nihii'iina: A Community-University Research Partnership

Lance R. Freeland

Health Inequities, Violence and Narratives of Leaving: Urban Aboriginal Women Negotiate Leaving Intimate Partner Violence

Victoria Smye

My Body and My Spirit Took Care of Me: Homelessness, Violence, and Resilience Among American Indian Two-Spirit Men

Karina L. Walters

Post Colonization Native Self Actualization Assessment Placement: Preparing a Wraparound Evidenced Based Practice for Tribal People

Sidney Stone Brown

Project TRUST: Community-Based Participatory Research to Improve Behavioral Health Care for Native American Youth and Their Families

Jessica R. Goodkind

16.1 - 16.5 **Mental Health Practice** **West Salon**

Moderator Lisa Thomas

Using the Circle of Strength to Increase Support and Communication

Jenny Chong, Yvonne Fortier, Amberly Atene, Diana Devine, Native American Connections

Study Findings: Financing and Sustainability of American Indian and Alaska Native Systems of Care

Holly Echo-Hawk

Knowledge, Use, and Factors that Influence Decision Related to the Use of Evidence-Based Practice Among Mental Health Service Providers in Native Communities

Stacy Johnson

4:45-5:00 pm **Closing Remarks**

Phil Smith, MD, MPH

6:30-7:30 **Night at the Movies** **West Salon**

Host: Lawrence Shorty

The Little Miss Navajo Pageant

Scientific Abstracts

Thursday, August 28, 2008

8:00-8:30 am **Blessing** **West Salon**

Wilfred Jim, *Confederated Tribes of Warm Springs*
Warm Springs, OR

8:30-9:00 am Opening Remarks

Alison J. Ball, PhD, *Colville Confederated Tribes*
Co-Chair, Native Research Network, Inc.
Research Associate, University of Oregon

Announcements

9:00-10:00 am Special Sessions II

17.1 - 17.3 **AHRQ/NARCH Funded Scientific Sessions** **Washington**

Moderators Wendy Perry & Alan Trachtenberg

Cigarette Smoking Initiation Patterns Between the Southwest and Northern Plains Tribes
Patricia Nez Henderson

Early Lessons Learned Implementing a Research Learning Collaborative with Two Tribal Health Systems

Valerie Williams

Storytelling to a Pathway Journey in Cancer Prevention and Control

Priscilla R. Sanderson and Angela Gonzales

18.1– 18.3 **PRC Funded Scientific Sessions** **Clackamas**

**Prevention Research Centers Program: A 20-year History
Working with Native American Communities**

Moderator Geri Dino

Prevention of Noise-Induced Hearing Loss and Tinnitus in Northwest American Indian Communities

William H. Martin

Causes of Visual Impairment and Common Eye Problems in Northwest American Indians and Alaska Natives

Steven L. Mansberger

University of New Mexico Prevention Research Center: A 25-year Community-Based Participatory Research Collaboration with Native American Communities.

Jessica R. Goodkind

Nike's N7 – The Research Behind the Shoe

Moderator **Vanessa Shortbull**

10:05-11:35am Breakout Sessions III

19.1 - 19.4 **The Native Experience of Diabetes** **Washington**

Moderator Victoria Warren-Mears

Health Practitioners' Perspectives on the Barriers to Diagnosis and Treatment of Diabetes in Aboriginal People on Vancouver Island

Geoffrey McKee

Trend Analysis of Diagnosed Diabetes Prevalence Amongst American Indian/Alaskan Native and Non-Hispanic White Young Adult Populations:1994-2007

Henry Roberts

Tribal-Academic Partnership Explored Tribal Youth Physical Activity Patterns and Beliefs

Cynthia Perry

Overweight and Obesity Prevalence in Southern California American Indian Children and Adults, 2001-2006

Deborah J. Morton

20.1 - 20.5

CBPR Session II

Clark

Moderator

Alison Ball

Challenges, Accomplishments and Lessons Learned in Conducting Research in a Native Community

June LaMarr

CBPR on a Graduate Student's Shoestring Budget and Accompanying Issues

Janelle Palacios

Bridging the Research Gap to Prevent FASD: Urban and Rural First Nations Community-Based Participatory Research

Marilyn Van Bibber

Engaging with Yukon First Nations in the Development of a Community-Based Health Research Agenda

Norma A. Kassi

Factors Associated with Cigarette Smoking Among American Indian Youth in Minneapolis-St. Paul

Jean Forster

21.1 – 21.4

Prevention Research Centers Program: Community-Based Prevention Research: Challenges and Solutions for Successful Partnerships

Clackamas

Moderator

Sharon McDonnell

Ownership of Data, Products, and Programs Developed in the Context of CBPR: Challenges and Solutions for Successful Partnerships

Kimberly Horn

Research in Indian Country: Educating Investigators

Carol Goldtooth-Begay

Prevention Research Centers Program: A 20-year History Working with Working Successfully With a Rural Public School in Oklahoma to Increase Physical Activity

June E. Eichner

Antibody Prevalence, Clinical Presentation, and Rheumatic Disease Overlap in Native American Patients with Systemic Lupus Erythematosus

Judith A. James

22.1 - 22.5

Chronic Disease

Multanomah

Moderator

Tom Becker

Utilization of Participatory Research Methods to Conduct an Alaska Native Genetic Study
Ana Chartier

Eliminating Health Disparities Among Native Hawaiian and Other Pacific Islanders: Role of Community Based Participatory Research
Leafa Taumoepeau

Date Quality Improvement for American Indians in Cancer Registries Through Tribal Linkages
Jennifer C. Johnson

Helping Ourselves to Health: Addressing Factors that Contribute to Obesity in Alaska Native People
Margaret Olin Hoffman

Dissemination of Research Findings – Going Beyond Admiring the Problem: The American Indian Community Tobacco Project
Kristine Rhodes

23.1 - 23.5 **STD and HIV Concerns and Care** **Overton**
Moderator Matthew Town

Sexually Transmitted Infections in Montana
Dionne Gesink Law

Sexual and Reproductive Health Services for American Indian Men: An In-Depth Analysis
Elizabeth Rink

Available Resources to Aid in Evaluating Sexually Transmitted Disease Burden Among American Indians/Alaska Natives
Jennifer Daniel

HIV/AIDS Education with Tribal Clinics & Chemical Dependency Treatment Centers
Mary Annese

Aboriginal Methodology: Respectfully Hearing the Voices of Aboriginal Women Living with HIV
Donna M. Hill

24.1 -24.5 **Measuring and Treating Substance Abuse** **West Salon**
Moderator Thomas M. Weiser

What Is Success? Considerations From an Evaluation of a First Nations Treatment Centre
Kimberly A. van der Woerd

Developing Undergraduate Research Capacity in Tribal Colleges
Jacqueline S. Gray

CBPR as a Mechanism for Delivery of an EBP in American Indian Communities: Lessons Learned
Alison J. Boyd-Ball and Katie Kavanaugh

Average Alcohol-Attributable Deaths and Years of Potential Life Lost Among American Indians and Alaskan Natives — US, 2001–2004
Dwayne Jarman

Proposal for Treating Alcohol Dependence by Integrating Cognitive Behavioral Techniques with Traditional Spiritual Ways Using Computer Based Training
Roland Hart

11:35am - 1:00pm **Awards Luncheon and 20th Anniversary Celebration**

Moderator Lisa Rey Thomsa, PhD
Conference Closing and Blessing
Connie McCloud, *Puyallup Tribe*
Puyallup, WA

1:30-3:00 pm **NARCH Investigator's Town Hall Meeting**
Alan Trachtenberg

Poster Presentations

Posters can be viewed from 8:00 a.m. Tuesday, August 26 – 11:00 a.m. Thursday, August 28 East Salon

- P1 **Diabetes in Navajo Youth: The Navajo-SEARCH for Diabetes in Youth Study**
Dana Dabelea,
- P2 **Navajo Health and Nutrition Survey II**
Chris Percy
- P3 **A Study of Self Image Among Young Navajo Women**
Deborah Waters
- P4 **Date quality improvement for American Indians in cancer registries through Tribal linkages**
Jennifer C. Johnson
- P5 **Study of Tobacco Use and Secondhand Smoke Exposure in Pregnant Alaska Native Women**
Luisa P. Machuca
- P6 **Women of Wellness (WOW): A Pilot Program for Women of the Keweenaw Bay Indian Community (KBIC)**
Ruth Keller
- P7 **Learning from the Grandmothers and/or Learning from Higher Education? Equipping Head Start Personnel To Foster the Wellbeing of Children and Families.**
Sharon Rosenkoetter
- P8 **Using Culturally Competent Research and Community Partnerships to Promote Social Justice and Empower Native Communities**
Amileah R. Davis-Stribling
- P9 **Sexual and Reproductive Health Among American Indian Men: An Examination of Key Informant Interviews**
Elizabeth Rink
- P10 **'Eat More Fish But Choose Wisely' Risk Reduction Strategy for Michigan Anishnaabe Tribes: Preliminary Evaluation of DVD**
John Dellinger
- P11 **Determining the Methamphetamine and Other Illegal Drugs' Threat to Michigan**

Tribes

John Dellinger

- P12 **Establishment of a Tribal Rheumatic Disease Clinic: Characterization of Clinical Disease Overlap and the Roles of Biomarkers in Disease Evaluation**
Judith A. James
- P13 **Resilience Among American Indian Carergivers of Elders: Pilot Results**
Mario D. Garrett
- P14 **Collaborations to Promote Indigenous Health: Sexually Transmitted Diseases among Alaska Native and Inuit/First Nations/Métis in Canada Conference**
Jessica Leston, Dionne Gesink
- P15 **Human and chimpanzee adaptive divergence in the regulation of the serotonin system**
Katrina Claw and Brian C. Verrelli
- P16 **Searching for Links Between Asthma and Changes in Alternative Splicing of mRNA Precursors**
Charlotte Logan
