WHEREAS, the Northwest Portland Area Indian Health Board (hereinafter "NPAIHB" or the "Board") was established in 1972 to assist Tribal governments to improve the health status and quality of life of Indian people; and

WHEREAS, the NPAIHB is a "tribal organization" as defined by the Indian Self-Determination and Education Assistance Act (P.L. 93-638 seq. et al) that represents forty-three federally recognized tribes in the states of Idaho, Oregon, and Washington; and

WHEREAS, in accordance with the definitions of the Indian Self-Determination and Education Assistance Act at 25 USCS § 450b, a tribal organization is recognized as a governing body of any Indian tribe and includes any legally established organization of Indians which is controlled, sanctioned, or chartered by such governing body or which is democratically elected by the adult members of the Indian community to be served by such organization and which includes the maximum participation of Indians in all phases of its activities; and

WHEREAS, the NPAIHB is dedicated to assisting and promoting the health needs and concerns of Indian people; and

WHEREAS, the primary goal of the NPAIHB is to improve the health and quality of life of its member Tribes; and

WHEREAS, the Native American Research Centers for Health (NARCH) program has announced a seventh round of funding to support NARCH centers in order to continue to develop partnerships between American Indian Tribes and tribally based organizations for the purposes of conducting intensive academic-level biomedical, behavioral, and health service research; and

WHEREAS, the NPAIHB has established a strong training program to support future academic careers for AI/AN in health research; and

WHEREAS, a preliminary needs assessment will be conducted to guide the development of the projects submitted for funding under this mechanism; and

WHEREAS, the goals of this initiative are consistent with the goals and objectives of both the NPAIHB and the *EpiCenter*.

THEREFORE BE IT RESOLVED, that the NPAIHB endorses and supports efforts by staff of the *EpiCenter*, under the guidance of the Executive Director, to pursue the seventh round of NARCH funding.
