GENERAL MEMORANDUM 09-142

Indian Health Service Soliciting Applications for FY 2010 Loan Repayment Program

The Indian Health Service (IHS) is soliciting applications, via the attached November 18, 2009, FEDERAL REGISTER notice, for the repayment of health professions educational loans. Under the Loan Repayment Program (LRP), authorized under Section 108 of the Indian Health Care Improvement Act, the IHS may make awards to persons for the repayment of health professions educational loans in return for full-time clinical service in Indian health programs.

Loan repayment recipients may receive a maximum award of \$20,000 per year for each year of contracted service, plus the IHS will provide an additional 20 to 39 percent of the participant's total loan repayments to the Internal Revenue Service for the increased tax liability.

The IHS estimates that it will provide nearly \$17.5 million in FY 2010 funds for the LRP, which will support "approximately 391 competing awards averaging \$44,740 per award for a two-year contract." Applications for the FY 2010 LRP will be accepted beginning January 15, 2010, and will continue to be accepted each month thereafter until all funds are exhausted.

The attached notice lists the priority health professions that will be considered in making awards under the LRP. The IHS does not establish percentages of awards for specific professions. The IHS will give priority to applications made by American Indians/Alaska Natives and to those individuals recruited through the efforts of tribes or tribal organizations. Other factors that will be taken into consideration are: 1) an applicant's length of current employment in the IHS, tribal, or urban program; 2) availability for service earlier than other applicants, and 3) date of receipt of the individual's application.

The notice points out that IHS Area Offices and Service Units are authorized to provide supplemental funds for LRP participants for use in their areas, but the total amount cannot exceed \$32 million when combined with the \$17.5 million made available in this notice.

Application materials may be obtained by contacting:

IHS Loan Repayment Program
801 Thompson Avenue, Suite 120
Rockville, Maryland 20852
(301) 443-3396

Additional information regarding this program may be obtained from Jacqueline Santiago, Chief of the IHS Loan Repayment Program, at the same contact information as above.

We remind potential applicants that because of the great demand for the IHS loan repayment funds, persons intending to apply should do so early. Inquiries regarding this Memorandum may be directed to the information below.

Collaborative Research Opportunity: The NIAID Office of Technology Development is seeking statements of capability or interest from parties interested in collaborative research to further develop, evaluate, or commercialize antimalarial drugs that target PSAC or other parasite-specific transporters. Please contact Dana Hsu at 301–496–2644 for more information.

Optimized Expression of IL–12 Cytokine Family

Description of Invention: The IL–12 family of cytokines (IL–12, IL–23, and IL–27) has an important role in inflammation and autoimmune diseases. IL–12 is produced by macrophages and dendritic cells in response to certain bacterial and parasitic infections and is a powerful inducer of IFN-gamma production. IL–23 is proposed to stimulate a subset of T cells to produce IL–17, which in turn induce the production of proinflammatory cytokines that lead to a protective response during infection. IL–27 appears to have dual functions as an initiator of TH1-type (cellular immunity) immune responses and as an attenuator of immune/inflammatory responses.

The present inventions provide methods for improved expression of multimeric proteins by engineering different ratios of the subunit expression units in a cell or upon expression from a multi-promoter plasmid having different strength promoters. The inventors have improved the levels and efficiency of expression of the IL–12 family of cytokines, which includes IL–12, IL–23, and IL–27, by adjusting the transcription and translation of the alpha and beta subunits that comprise the heterodimeric proteins. Optimal

ratios of expression for the two (2) subunits were determined for IL–12, IL–23, and IL–27.

Applications: Tumor treatment; Anti-viral therapy; Anti-inflammatory therapy.

Advantages: Increased expression and stability of in vitro expressed IL–12, IL–23 and IL–27 cytokines.

Development Status: In vitro data and data in animal models can be provided upon request.

Market: Infectious Diseases; Cancer; Inflammatory Diseases.

Inventors: George N. Pavlakis and Barbara K. Felber (NCI).

Patent Status: International PCT Patent Application No. PCT/US09/043481 filed 11 May 2009 (HHS Reference No. E–192–2008/1–PCT–02).

Licensing Status: Available for licensing.

Licensing Contact: Kevin W. Chang, Ph.D.; 301–435–5018; changke@mail.nih.gov.

Collaborative Research Opportunity: The Center for Cancer Research, Human Retrovirus Section, is seeking statements of capability or interest from parties interested in collaborative research to further develop, evaluate, or commercialize delivery of cytokines of the IL–12 family in cancer and other indications. Please contact John D. Hewes, Ph.D. at 301–435–3121 or hewesj@mail.nih.gov for more information.

Dated: November 9, 2009.

Richard U. Rodriguez,

Director, Division of Technology Development and Transfer, Office of Technology Transfer, National Institutes of Health.

Indian Health Service

Loan Repayment Program for Repayment of Health Professions Educational Loans

Announcement Type: Initial.
CFDA Number: 93.164.

Key Dates: January 15, 2010 first award cycle deadline date, September 30, 2010 entry on duty deadline date.

I. Funding Opportunity Description

The Indian Health Service (IHS) estimated budget request for Fiscal Year (FY) 2010 includes \$17,488,854 for the IHS Loan Repayment Program (LRP) for health professional educational loans (undergraduate and graduate) in return for full-time clinical service in Indian health programs.

This program announcement is subject to the appropriation of funds. This notice is being published early to coincide with the recruitment activity of the IHS, which competes with other Government and private health management organizations to employ qualified health professionals.

This program is authorized by Section 108 of the Indian Health Care Improvement Act (IHCIA) as amended, 25 U.S.C. 1601 *et seq.* The IHS invites potential applicants to request an application for participation in the LRP.

II. Award Information

The estimated amount available is approximately \$17,488,854 to support approximately 391 competing awards averaging \$44,740 per award for a two year contract. One year contract continuations will receive priority consideration in any award cycle. Applicants selected for participation in the FY 2010 program cycle will be expected to begin their service period no later than September 30, 2010.

III. Eligibility Information

1. Eligible Applicants

Pursuant to Section 108(b), to be eligible to participate in the LRP, an individual must:

(1) (A) Be enrolled—

(i) In a course of study or program in an accredited institution, as determined by the Secretary, within any State and be scheduled to complete such course of study in the same year such individual applies to participate in such program; or

(ii) In an approved graduate training program in a health profession; or
(B) Have a degree in a health profession and a license to practice in a state; and

(2) (A) Be eligible for, or hold an appointment as a Commissioned Officer in the Regular or Reserve Corps of the Public Health Service (PHS); or

(B) Be eligible for selection for service in the Regular or Reserve Corps of the PHS; or

(C) Meet the professional standards for civil service employment in the IHS; or

(D) Be employed in an Indian health program without service obligation; and

(E) Submit to the Secretary an application for a contract to the LRP. The Secretary must approve the contract before the disbursement of loan repayments can be made to the participant. Participants will be required to fulfill their contract service agreements through full-time clinical practice at an Indian health program site determined by the Secretary. Loan

repayment sites are characterized by physical, cultural, and professional isolation, and have histories of frequent staff turnover. All Indian health program sites are annually prioritized within the Agency by discipline, based on need or vacancy.

Any individual who owes an obligation for health professional service to the Federal Government, a State, or other entity is not eligible for the LRP unless the obligation will be completely satisfied before they begin service under this program.

Section 108 of the IHCA, as amended by Public Laws 100–713 and 102–573, authorizes the IHS LRP and provides in pertinent part as follows:

“(a)(1) The Secretary, acting through the Service, shall establish a program to be known as the Indian Health Service Loan Repayment Program (hereinafter referred to as the “Loan Repayment Program”) in order to assure an adequate supply of trained health professionals necessary to maintain accreditation of, and provide health care services to Indians through, Indian health programs.”

Section 4(n) of the IHCA, as amended by the Indian Health Care Improvement Technical Corrections Act of 1996, Public Law 104–313, provides that:

“Health Profession” means *allopathic medicine*, family medicine, internal medicine, pediatrics, geriatric medicine, obstetrics and gynecology, podiatric medicine, nursing, public health nursing, dentistry, psychiatry, osteopathy, optometry, pharmacy, psychology, public health, social work, marriage and family therapy, chiropractic medicine, environmental health and engineering, and allied health profession, or any other health profession.

For the purposes of this program, the term “Indian health program” is defined in Section 108(a)(2)(A), as follows:

(A) The term “Indian health program” means any health program or facility funded, in whole or in part, by the Service for the benefit of Indians and administered—

(i) Directly by the Service;
(ii) By any Indian Tribe or Tribal or Indian organization pursuant to a contract under—

(I) The Indian Self-Determination Act, or

(II) Section 23 of the Act of April 30, 1908, (25 U.S.C. 47), popularly known as the Buy Indian Act; or

(iii) By an urban Indian organization pursuant to Title V of this act.”

Section 108 of the IHCA, as amended by Public Laws 100–713 and 102–573, authorizes the IHS to determine specific health professions for which IHS LRP contracts will be awarded. The list of priority health professions that follows is based upon the needs of the IHS as

well as upon the needs of American Indians and Alaska Natives.

(a) Medicine: Allopathic and Osteopathic.

(b) Nurse: Associate, B.S., and M.S. Degree.

(c) Clinical Psychology: Ph.D. only.

(d) Social Work: Masters level only.

(e) Chemical Dependency Counseling: Baccalaureate and Masters level.

(f) Dentistry.

(g) Dental Hygiene.

(h) Pharmacy: B.S., Pharm.D.

(i) Optometry: O.D.

(j) Physician Assistant, Certified.

(k) Advanced Practice Nurses: Nurse Practitioner, Certified Nurse Midwife, Registered Nurse Anesthetist (Priority consideration will be given to Registered Nurse Anesthetists.).

(l) Podiatry: D.P.M.

(m) Physical Rehabilitation Services: Physical Therapy, Occupational Therapy, Speech-Language Pathology, and Audiology: M.S. and D.P.T.

(n) Diagnostic Radiology Technology: Certificate, Associate, and B.S.

(o) Medical Technology: Associate, and B.S.

(p) Public Health Nutritionist/Registered Dietitian.

(q) Engineering (Environmental): B.S. (Engineers must provide environmental engineering services to be eligible.).

(r) Environmental Health (Sanitarian): B.S.

(s) Health Records: R.H.I.T. and R.H.I.A.

(t) Respiratory Therapy.

(u) Ultrasonography.

2. Cost Sharing or Matching

Not applicable.

3. Other Requirements

Interested individuals are reminded that the list of eligible health and allied health professions is effective for applicants for FY 2010. These priorities will remain in effect until superseded.

IV. Application and Submission Information

1. Address To Request Application Package

Application materials may be obtained online at <http://www.loanrepayment.ihs.gov/> or by calling or writing to the address below. In addition, completed applications should be returned to: IHS Loan Repayment Program, 801 Thompson Avenue, Suite 120, Rockville, Maryland 20852, Telephone: 301/443–3396 [between 8 a.m. and 5 p.m. (EST) Monday through Friday, except Federal holidays].

2. Content and Form of Application Submission

Applications must be submitted on the form entitled “Application for the Indian Health Service Loan Repayment Program,” identified with the Office of Management and Budget approval number of OMB #0917–0014, Expiration Date 02/29/2012.

3. Submission Dates and Times

Completed applications may be submitted to the IHS Loan Repayment Program, 801 Thompson Avenue, Suite 120, Rockville, Maryland 20852. Applications for the FY 2010 LRP will be accepted and evaluated monthly beginning January 15, 2010, and will continue to be accepted each month thereafter until all funds are exhausted for FY 2010. Subsequent monthly deadline dates are scheduled for Friday of the second full week of each month.

Applications shall be considered as meeting the deadline if they are either:

(a) Received on or before the deadline date; or

(b) Sent on or before the deadline date. (Applicants should request a legibly dated U.S. Postal Service postmark or obtain a legibly dated receipt from a commercial carrier or U.S. Postal Service. Private metered postmarks are not acceptable as proof of timely mailing.).

Applications received after the monthly closing date will be held for consideration in the next monthly funding cycle. Applicants who do not receive funding by September 30, 2010, will be notified in writing.

4. Intergovernmental Review

This program is not subject to review under Executive Order 12372.

5. Funding Restrictions

Not applicable.

6. Other Submission Requirements

All applicants must sign and submit to the Secretary, a written contract agreeing to accept repayment of educational loans and to serve for the applicable period of obligated service in a priority site as determined by the Secretary, and submit a signed affidavit attesting to the fact that they have been informed of the relative merits of the U.S. PHS Commissioned Corps and the Civil Service as employment options.

V. Application Review Information

1. Criteria

The IHS has identified the positions in each Indian health program for which there is a need or vacancy and ranked those positions in order of priority by

developing discipline-specific prioritized lists of sites. Ranking criteria for these sites may include the following:

- (a) Historically critical shortages caused by frequent staff turnover;
- (b) Current unmatched vacancies in a health profession discipline;
- (c) Projected vacancies in a health profession discipline;
- (d) Ensuring that the staffing needs of Indian health programs administered by an Indian Tribe or Tribal health organization receive consideration on an equal basis with programs that are administered directly by the Service; and
- (e) Giving priority to vacancies in Indian health programs that have a need for health professionals to provide health care services as a result of individuals having breached LRP contracts entered into under this section.

Consistent with this priority ranking, in determining applications to be approved and contracts to accept, the IHS will give priority to applications made by American Indians and Alaska Natives and to individuals recruited through the efforts of Indian Tribes or Tribal or Indian organizations.

2. Review and Selection Process

Loan repayment awards will be made only to those individuals serving at facilities which have a site score of 70 or above during the first and second quarters and the first month of the third quarter of FY 2010, if funding is available.

One or all of the following factors may be applicable to an applicant, and the applicant who has the most of these factors, all other criteria being equal, will be selected.

- (a) An applicant's length of current employment in the IHS, Tribal, or urban program.
- (b) Availability for service earlier than other applicants (first come, first served).
- (c) Date the individual's application was received.

3. Anticipated Announcement and Award Dates

Not applicable.

VI. Award Administration Information

1. Award Notices

Notice of awards will be mailed on the last working day of each month. Once the applicant is approved for participation in the LRP, the applicant will receive confirmation of his/her loan repayment award and the duty site at which he/she will serve his/her loan repayment obligation.

2. Administrative and National Policy Requirements

Applicants may sign contractual agreements with the Secretary for two years. The IHS may repay all, or a portion of the applicant's health profession educational loans (undergraduate and graduate) for tuition expenses and reasonable educational and living expenses in amounts up to \$20,000 per year for each year of contracted service. Payments will be made annually to the participant for the purpose of repaying his/her outstanding health profession educational loans. Payment of health profession education loans will be made to the participant within 120 days, from the date the contract becomes effective. The effective date of the contract is calculated from the date it is signed by the Secretary or his/her delegate, or the IHS, Tribal, urban, or ABuy-Indian@ health center entry-on-duty date, whichever is more recent.

In addition to the loan payment, participants are provided tax assistance payments in an amount not less than 20 percent and not more than 39 percent of the participant's total amount of loan repayments made for the taxable year involved. The loan repayments and the tax assistance payments are taxable income and will be reported to the Internal Revenue Service (IRS). The tax assistance payment will be paid to the IRS directly on the participant's behalf. LRP award recipients should be aware that the IRS may place them in a higher tax bracket than they would otherwise have been prior to their award.

3. Contract Extensions

Any individual who enters this program and satisfactorily completes his or her obligated period of service may apply to extend his/her contract on a year-by-year basis, as determined by the IHS. Participants extending their contracts may receive up to the maximum amount of \$20,000 per year plus an additional 20 percent for Federal withholding.

VII. Agency Contacts

Please address inquiries to Ms. Jacqueline K. Santiago, Chief, IHS Loan Repayment Program, 801 Thompson Avenue, Suite 120, Rockville, Maryland 20852, Telephone: 301/443-3396 [between 8 a.m. and 5 p.m. (EST) Monday through Friday, except Federal holidays].

VIII. Other Information

IHS Area Offices and Service Units that are financially able are authorized to provide additional funding to make awards to applicants in the LRP, but not

to exceed \$35,000 a year plus tax assistance. All additional funding must be made in accordance with the priority system outlined below. Health professions given priority for selection above the \$20,000 threshold are those identified as meeting the criteria in 25 U.S.C. 1616a(g)(2)(A) which provides that the Secretary shall consider the extent to which each such determination:

(i) Affects the ability of the Secretary to maximize the number of contracts that can be provided under the LRP from the amounts appropriated for such contracts;

(ii) Provides an incentive to serve in Indian health programs with the greatest shortages of health professionals; and

(iii) Provides an incentive with respect to the health professional involved remaining in an Indian health program with such a health professional shortage, and continuing to provide primary health services, after the completion of the period of obligated service under the LRP.

Contracts may be awarded to those who are available for service no later than September 30, 2010, and must be in compliance with any limits in the appropriation and Section 108 of the IHCA not to exceed the amount authorized in the IHS appropriation (up to \$32,000,000 for FY 2010). In order to ensure compliance with the statutes, Area Offices or Service Units providing additional funding under this section are responsible for notifying the LRP of such payments before funding is offered to the LRP participant.

Should an IHS Area Office contribute to the LRP, those funds will be used for only those sites located in that Area. Those sites will retain their relative ranking from the national site-ranking list. For example, the Albuquerque Area Office identifies supplemental monies for dentists. Only the dental positions within the Albuquerque Area will be funded with the supplemental monies consistent with the national ranking and site index within that Area.

Should an IHS Service Unit contribute to the LRP, those funds will be used for only those sites located in that Service Unit. Those sites will retain their relative ranking from the national site-ranking list. For example, Chinle Service Unit identifies supplemental monies for pharmacists. The Chinle Service Unit consists of two facilities, namely the Chinle Comprehensive Health Care Facility and the Tsailie PHS Indian Health Center. The national ranking will be used for the Chinle Comprehensive Health Care Facility (Score = 44) and the Tsailie PHS Indian Health Center (Score = 46). With a score

of 46, the Tsaille PHS Indian Health Center would receive priority over the Chinle Comprehensive Health Care Facility.

Dated: November 6, 2009.

Yvette Roubideaux,

Director, Indian Health Service.

BILLING CODE 4165-16-P

DEPARTMENT OF HEALTH AND HUMAN SERVICES

Health Resources and Services Administration

Advisory Committee on Heritable Disorders in Newborns and Children; Notice of Meeting

In accordance with section 10(a)(2) of the Federal Advisory Committee Act (Pub. L. 92-463), notice is hereby given of the following meeting:

Name: Secretary's Advisory Committee on Heritable Disorders in Newborns and Children.

Dates and Times: January 21, 2010, 8:30 a.m. to 5 p.m.

January 22, 2010, 8:30 a.m. to 3 p.m.

Place: Washington Marriott at Metro Center, 775 12th Street, NW., Washington, DC 20005.

Status: The meeting will be open to the public with attendance limited to space availability. Participants are asked to register for the meeting by going to the registration Web site at <http://events.SignUp4.com/ACHDNC0110>. The registration deadline is Tuesday, January 19, 2010. Individuals who need special assistance, such as sign language interpretation or other reasonable accommodations should indicate their needs on the registration Web site. The deadline for special accommodation requests is Friday, January 15, 2010. If there are technical problems gaining access to the Web site, please contact Feven Habteab, Meetings Coordinator at conferences@altarium.org.

Purpose: The Secretary's Advisory Committee on Heritable Disorders in Newborns and Children (Advisory Committee) was established to advise and guide the Secretary regarding the most appropriate application of universal newborn screening tests, technologies, policies, guidelines and programs for effectively reducing morbidity and mortality in newborns and children having or at risk for heritable disorders. The Advisory Committee also provides advice and recommendations concerning the grants and projects authorized under the Public Health Service Act, 42 U.S.C. 300b-10, (Heritable Disorders Program) as amended in the Newborn Screening Saves Lives Act of 2008.

Agenda: The meeting will include: (1) A presentation of the External Review Workgroup's preliminary report on the nomination of Alpha-Thalassemia (Hemoglobin H) disease to the Advisory Committee's uniform newborn screening

panel; (2) a discussion of the Advisory Committee's final draft of the report on the use and storage of newborn screening Residual Blood Spots; (3) an update on the development of the Newborn Screening Information Clearinghouse; and (4) presentations on the continued work and reports of the Advisory Committee's subcommittees on laboratory standards and procedures, follow-up and treatment, and education and training.

Proposed Agenda items are subject to change as priorities dictate. You can locate the Agenda, Committee Roster and Charter, presentations, and meeting materials at the home page of the Advisory Committee's Web site at <http://www.hrsa.gov/heritabledisorderscommittee/>.

Web cast: The meeting will be Web cast. Information on how to access the Web cast will be available one week prior to the meeting, January 14, 2010, by clicking on the meeting date link at <http://events.SignUp4.com/ACHDNC0110>.

Public Comments: Members of the public can present oral comments during the public comment periods of the meeting, which are scheduled for both days of the meeting. Those individuals who want to make a comment are requested to register online by Tuesday, January 19, 2010 at <http://events.SignUp4.com/ACHDNC0110>. Requests will contain the name, address, telephone number, and any professional or business affiliation of the person desiring to make an oral presentation. Groups having similar interests are requested to combine their comments and present them through a single representative. The list of public comment participants will be posted on the Web site. Written comments should be e-mailed via e-mail no later than Tuesday, January 19, 2010 for consideration. Comments should be submitted to Feven Habteab, Meetings Coordinator, Conference and Meetings Management, Altarium Institute, 1200 18th Street, NW., Suite 700, Washington, DC 20036, telephone: 202 828-5100; fax: 202 785-3083, or e-mail: conferences@altarium.org.

Contact Person: Anyone interested in obtaining other relevant information should write or contact Alaina M. Harris, Maternal and Child Health Bureau, Health Resources and Services Administration, Room 18A-19, Parklawn Building, 5600 Fishers Lane, Rockville, Maryland 20857, Telephone (301) 443-0721, aharris@hrsa.gov. More information on the Advisory Committee is available at <http://mchb.hrsa.gov/heritabledisorderscommittee>.

Dated: November 12, 2009.

Alexandra Huttinger,

Director, Division of Policy Review and Coordination.

[FR Doc. E9-27660 Filed 11-17-09; 8:45 am]

BILLING CODE 4165-15-P

DEPARTMENT OF HEALTH AND HUMAN SERVICES

National Institutes of Health

National Institute of Biomedical Imaging and Bioengineering; Notice of Meeting

Pursuant to section 10(d) of the Federal Advisory Committee Act, as amended (5 U.S.C. App.), notice is hereby given of a meeting of the National Advisory Council for Biomedical Imaging and Bioengineering.

The meeting will be open to the public as indicated below, with attendance limited to space available. Individuals who plan to attend and need special assistance, such as sign language interpretation or other reasonable accommodations, should notify the Contact Person listed below in advance of the meeting.

The meeting will be closed to the public in accordance with the provisions set forth in sections 552b(c)(4) and 552b(c)(6), Title 5 U.S.C., as amended. The grant applications and/or contract proposals and the discussions could disclose confidential trade secrets or commercial property such as patentable material, and personal information concerning individuals associated with the grant applications and/or contract proposals, the disclosure of which would constitute a clearly unwarranted invasion of personal privacy.

Name of Committee: National Advisory Council for Biomedical Imaging and Bioengineering; NACBIB, January, 2010.

Date: December 11, 2009.

Open: 9 a.m. to 1 p.m.

Agenda: Report from the Institute Director, other Institute Staff and presentations of working group reports.

Place: Bethesda Marriott Suites, 6711 Democracy Boulevard, Independence Room (2nd Level), Bethesda, MD 20817.

Closed: 1 p.m. to 3:30 p.m.

Agenda: To review and evaluate grant applications and/or proposals.

Place: Bethesda Marriott Suites, 6711 Democracy Boulevard, Independence Room (2nd Level), Bethesda, MD 20817.

Contact Person: Anthony Demsey, PhD, Director, National Institute of Biomedical Imaging and Bioengineering, 6701 Democracy Boulevard, Room 241, Bethesda, MD 20892.

Any interested person may file written comments with the committee by forwarding the statement to the Contact Person listed on this notice. The statement should include the name, address, telephone number and when applicable, the business or professional affiliation of the interested person.

Information is also available on the Institute's/Center's home page: <http://www.nibib1.nih.gov/about/NACBIB/NACBIB.htm>, where an agenda and any
