Contract Health Service Training Seminar

Designed for Contract Health Service (CHS) staff for Indian Health Service and Tribal Health programs, this seminar provides an opportunity to network with peers/colleagues on issues of common concern and to enhance skills to improve patient care application of the CHS regulations. The agenda includes general and break out sessions on a variety of CHS topics to meet all skill levels.

This is no participation registration fee.
Travel/per diem is Service Unit/Tribal Program or traveler's responsibility.

Visit the IHS Calendar for additional information!
