Non-technical senior level decision makers from tribal governments, health-care facilities, casinos & businesses

- ~ Tribal Council ~
- ~ Executive Directors ~
- ~ Marketing Directors ~
- ~ GM's ~
- ~ Business Managers ~
- ~ Financial Officers ~
- ~ Health Directors & More ~

"We attend TribalNet to get firsthand knowledge from other IT Divisions that specialize in Native businesses, health and overall support. We also find it a great resource to ask questions on some of the products we are researching, what to expect and what the experiences were, for those Nations. It's a great opportunity to get firsthand knowledge on technology within this specialized IT industry."

- Lael Hall, IT Director, Ho-Chunk Nation & Casinos
