### Addressing Health Disparities in Hispanic and Native Rural Communities: Integrating Family Planning, STIs, HIV, Tuberculosis, and Substance Abuse

July 9 & 10, 2010

Yakima, Washington

**COST:** This is a free event, including continuing education credits.

**Friday, July 9, 2010**

Registration: 2:30 pm

Conference: 3:30 pm - 8:15 pm

(Dinner provided)

**Saturday, July 10, 2010**

Registration: 8:15 am

Conference: 8:45 am - 5:00 pm

(Breakfast and Lunch provided)

**GOAL:** To explore how Family Planning, Reproductive Health, HIV, STDs, Tuberculosis, and Substance Abuse intersect and affect health outcomes for Hispanic and Native clients in rural communities

#### LEARNING OBJECTIVES

- Discuss five overlapping health disparities that affect Hispanic and Native clients in rural communities
- Describe two culturally relevant challenges that Hispanic and Native clients face when accessing and receiving health care services

- Identify two strategies to increase the provision of culturally proficient care to Hispanic and Native Clients

**Who Should Attend:** Clinicians (including nurse practitioners, physicians, physician assistants, certified nurse midwives, RNs) managers, case workers, and community health educators

**[REGISTER ONLINE NOW! CLICK HERE.](#)**

**CO-PROVIDERS:** This event is a Federal Training Centers Collaboration coordinated by The Center for Health Training and co-provided by Northwest AIDS Education and Training Center, Seattle STD/HIV Prevention Training Center, Northwest Frontier Addiction Technology Transfer Center, and The Francis J Curry National Tuberculosis Center

### **Continuing Nursing Hours**

The Center for Health Training is an approved provider of Continuing Nursing Education (CNE) by the Washington State Nurses Association, an accredited approver by the American Nurses Credentialing Center's Commission on Accreditation.

Upon successful completion of the activity, participants will be awarded a maximum of 8.6 Continuing Nursing Education hours depending on which sessions are attended. Successful completion includes:

- Attending the entire activity
- Completing the CNE sign in form
- Submitting a completed evaluation form.
