

Dear Tribal Health Care Stakeholder:

I am writing to invite you to discuss a step in the development of the 2011-2013 budget for the Division of Medical Assistance Programs (DMAP).

As you know, the downturn in the economy means that the Legislature will face difficult funding choices in the 2011 session. DMAP will propose a budget that will prioritize vital programs and do the least harm to the vulnerable Oregonians we serve. This is your opportunity to preview DMAP's priorities and suggest other ways to save money while safe guarding services.

Please join us at this important budget discussion.

Date: Thursday, May 27

Time: 9:00 a.m. to 11:00 a.m.

Place: 900 Court Street NE, Salem, OR 97301, Conference Room 350
