Dear Tribal Leaders, Health Directors, Urban Program Directors, NPAIHB Delegates:

On behalf of the Portland Area Indian Health Service, I am pleased to invite you to attend the third orientation on Indian self-determination contracting (see enclosed agenda). The orientation will be held in Portland on February 28 and 29, 2012, and is a part of the Area's continuing response to numerous requests from Portland Area Tribes for opportunities to learn more about Indian self-determination contracting and the Indian Self Determination and Education Assistance Act.

The goal of the orientation is to strengthen and enhance understanding of Indian self-determination principles. This will be accomplished through several presentations with clearly identified learning objectives delivered by Area subject matter experts.

This Portland Area outreach to tribal leaders and administrators underscores the Agency's priority commitment to strengthening its partnership with Tribes. We appreciate your attendance and participation and look forward to the dialogue and interaction.

Sincerely,

Dean M. Seyler
Director
