**PPHF 2012: Community Transformation Grants - Small Communities Programs  
financed solely by 2012 Prevention and Public Health Funds**

**Letter of Intent:** June 18, 2012; **Due:** July 31, 2012

**Amount:** See Announcement

**Description:** The overarching purpose of this program is to prevent heart attack, stroke, cancer, diabetes and other leading chronic disease causes of death or disability through implementation of a variety of evidence based programs, policies, and infrastructure improvements to promote healthy lifestyles in small communities that improve health and health behaviors among an intervention population. The program aims to achieve this goal by supporting governmental and nongovernmental agencies and organizations, from multiple sectors, to implement evidence based strategies that align with their mission and to partner with agencies and organizations in other sectors to improve community health.
