

Strategic Planning Online Training Announcement

There is an online training for **Strategic Planning** on March 14, 2012, 10 AM – Noon via iLinc.

Upon completion participants should be able to...

- a. Describe the reasons why strategic planning is important and how it can benefit an organization.
- b. Describe the most common elements of strategic planning and their roles in organizational alignment.
- c. Describe the most critical considerations and processes to make strategic planning successful.
- d. Locate resources online including a strategic planning toolkit.

A more detailed description is available on the WA State DOH website at the [Training Web page](#). You can register now in [SmartPH](#). If you have registration questions, please contact:
