Region 10 Director – Alaska, Idaho, Washington, Oregon US Department of Health & Human Services Please Save the Date!

HHS Region 10 Annual Tribal Consultation February 24 and 25, 2014 at the Tulalip Resort in Washington State.

Tribal leaders from Alaska, Idaho, Oregon, and Washington are invited to participate in a two-day U.S. Health and Human Services Region 10 Tribal Consultation on Monday, February 24th and Tuesday, February 25th at the Tulalip Resort in Tulalip, Washington.

The date and location were selected after inviting over 100 tribal members to two conference calls to gather input. The HHS regional office will be moving in March, having the Consultation any later could be problematic given this constraint and because Region V will be hosting their Consultation later that same week.

An agenda for the consultation will be discussed on the next Region 10 Quarterly Tribal Affairs Call on December 11 at 2:00pm (Pacific Time). Details on how to register for the Consultation and hotel will be sent soon.
