The NPAIHB's Northwest Tribal FASD project presented a webinar on Diagnosing FASD on July 10, 2013. Jennifer Downs introduced the Webinar, which was hosted from the IHS HQ. We have had very good and appreciative comments, and many requests for the archive addresss.

The archived webinar is available at: <http://ihs.adobeconnect.com/pzhq65lq43/>.

This link will also be available on the NPAIHB project web page.
