### \$\$\$ ~ Weekly Funding Opportunities Report ~\$\$\$

*Friday, May 03, 2013*

**To:** Idaho Delegates, Oregon Delegates, Washington Delegates, Tribal Chairs and Tribal Health Directors

*Greetings!*

NPAIB is pleased to forward the following funding opportunities to you. Please feel free to contact us with any questions, you can find our contact information located at the end of this opportunity listing. Please see the information provided:

#### **NEW INFORMATION!**

##### ➤ **2013 COPS Hiring Program (CHP)**

**Deadline:** Applications for this year's CHP solicitation must be complete and submitted by 7:59 PM EDT on Wednesday, May 22, 2013, in order to receive consideration. CHP is a competitive grant program that provides funding directly to law enforcement agencies having primary law enforcement authority to hire and/or rehire career law enforcement officers in an effort to increase their community policing capacity and crime prevention efforts.

**Award Amount:** This year's CHP grants will cover up to 75 percent of the approved entry-level salary and benefits for three years (36 months) for newly hired, full-time sworn officer positions (including filling existing unfunded vacancies) or for rehired officers who have been laid off, or are scheduled to be laid off on a specific future date, as a result of local budget cuts. A minimum 25 percent local cash match is therefore required. Under 2013 CHP, there is also a maximum federal contribution of \$125,000 per position over the three-year grant period. Please note that at the conclusion of federal funding, grantees must retain all sworn officer positions awarded under the CHP grant. The retained CHP-funded position(s) should be added to the grantee's law enforcement budget with state and/or local funds, over and above the number of locally-funded positions that would have existed in the absence of the grant.

**Description:** There are two major changes to this year's program. While hiring military veterans is not a grant requirement under 2013 CHP, applicants who commit to taking active steps to recruit, hire and deploy at least one military veteran under FY2013 CHP will receive additional consideration for CHP funding. In addition, the issue of school safety has emerged as a national priority with the

**Description:** About the OVW Technical Assistance Program

Since 1995, OVW's Technical Assistance Program has provided OVW grantees with the training, expertise, and problem-solving strategies they need to meet the challenges of addressing sexual assault, domestic violence, dating violence and stalking. OVW's technical assistance projects have offered in-person and online educational opportunities, peer-to-peer consultations, site visits and tailored assistance that has allowed OVW grantees and potential grantees (those entities

that are eligible for OVW Grant Programs) to learn from experts and one another about how to effectively respond to crimes of violence against women. In more limited circumstances, OVW's technical assistance projects have offered technical assistance to a small number of pilot sites through demonstration initiatives and/or to assess newly developed training curricula or tools.

In shaping its technical assistance program, OVW receives input from its grantees to ensure that efforts are responsive to the needs and concerns of local, state and tribal communities. As part of its commitment to continuous improvement, OVW receives feedback on a regular basis from its grant recipients so that the technical assistance can be enhanced and refined as necessary to meet these needs.

The primary purpose of the OVW Technical Assistance Program is to provide direct technical assistance to existing and potential grantees and sub grantees to enhance and support their efforts to successfully implement projects supported by OVW grant funds. In addition, OVW is focused on building the capacity of criminal justice and victim services organizations to respond effectively to sexual assault, domestic violence, dating violence and stalking and fostering partnerships among organizations that have not traditionally worked together to address violence against women.

### NOVEMBER

#### ➤ Small Research Grant to Improve Health Care Quality through Health Information Technology (IT) (R03)

**Deadline:** Nov 16, 2013

**Award Amount:** Total costs (direct costs and associated indirect costs) are limited to \$100,000 over a maximum project period of two years.

**Description:** The purpose of this Funding Opportunity Announcement (FOA) is to support a wide variety of research designs in order to improve the quality, safety, effectiveness, and efficiency of health care through the implementation and use of health IT. These designs include: small pilot and feasibility or self-contained health IT research projects; secondary data analysis of health IT research; and economic (prospective or retrospective) analyses of health IT implementation and use. Through economic analyses estimates of health IT implementation and use costs and benefits will be generated.

➤ **Kaboom! Invites Grant Applications to Open Previously Unavailable Playgrounds**

**Deadline:** KaBOOM! is inviting grant applications from communities anywhere in the United States working to establish joint use agreements to re-open playground and recreational facilities previously unavailable due to safety and upkeep concerns. (No specific deadline.)

**Amount:** Let's Play Land Use grants of \$15,000 and \$30,000 will support creation of joint-use agreements between local governments and school districts that address cost concerns related to safety, vandalism, maintenance, and liability issues to re-open previously unavailable playgrounds and recreational facilities. The \$15,000 grants will support the opening of at least four playgrounds in cities with populations of less than 100,000 people. The \$30,000 grants will support the opening of at least eight playgrounds in larger communities.

**Description:** Grants can be used for training and technical assistance, utilities and other building related to the extra use of the facility, legal fees, contract security services, and marketing campaigns related to the joint-use agreement. Grant recipients must commit to opening the playgrounds within twelve months of the grant decision.

Complete grant application guidelines are available on the KaBOOM! website:

### ➤ Kellogg Foundation Invites Applications for Programs that Engage Youth and Communities in Learning Opportunities

**Deadline:** No Deadline

**Amount:** No Amount Specified

**Description:** The W.K. Kellogg Foundation is accepting applications from nonprofit organizations working to promote new ideas about how to engage children and youth in learning and ways to bring together community-based systems that promote learning. The foundation will consider grants in four priority areas: Educated Kids; Healthy Kids; Secure Families; and Civic Engagement.

**Educated Kids:** To ensure that all children get the development and education they need as a basis for independence and success, the foundation seeks opportunities to invest in early child development (ages zero to eight) leading to reading proficiency by third grade, graduation from high school, and pathways to meaningful employment.
