DEPARTMENT OF SOCIAL AND HEALTH SERVICES  
Behavioral Health and Service Integration Administration  
PO Box 45050, Olympia, WA 98504-5050

September 13, 2013

Dear Tribal Leaders,

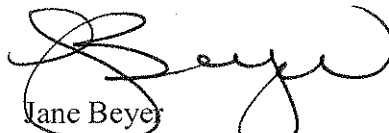

I am writing to notify you of the recent changes to staff assignments within the Behavioral Health and Service Integration Administration (BHSIA), Division of Behavioral Health and Recovery (DBHR). The new assignments, in most cases, will change your primary point of contact on issues relating to chemical dependency treatment services and will be implemented this month. These changes will not affect services or how they are provided.

The new assignments have been made in order to re-balance staff workloads after a series of personnel changes and staff and budget reductions. Each staff member also holds a number of headquarter and/or statewide assignments associated with their position.

For those of you who have new managers assigned, you can expect to be contacted within the next few weeks for an introductory phone call and exchange of information.

Thank you for your patience and understanding as we transition. If you have any questions, feel free to contact your Behavioral Health Treatment Manager or Tiffany Villines, Behavioral Health Administrator, at [tiffany.villines@dshs.wa.gov](mailto:tiffany.villines@dshs.wa.gov).

Respectfully,

  
Jane Beyer  
Assistant Secretary
