Subject: Recording: IHS Behavioral Health Webinar Series: April 15, 2014

Greetings All,

On April, 15, 2014, the Division of Behavioral Health hosted a webinar titled, "Linking Sexual Violence to HIV Risk." The webinar featured a presentation by the Pine Ridge Domestic Violence Prevention Initiative (DVPI) and provided practical steps for addressing HIV and sexual violence in your local patient population. Please find the webinar recording link below.

Linking Sexual Violence to HIV Risk
