

WA State Department of Health is offering a series of trainings across the state for public health staff, tribes, and community partners as part of transforming Washington communities and building Healthy Communities Washington!

All trainings are now open for registration

There is no fee to attend

There are a few slots available for next week's workshop on ***Competitive Grant Writing***. We are also offering it again in July. This is an excellent workshop for partners as well.

To participate in this workshop, we recommend attending in teams of 2-4 people if possible.

Note: This workshop is most beneficial if you bring a grant that you would like to work on or one that you have already submitted and are willing to revisit.

Training dates:

May 8, 2012

9:00 AM – 4:00 PM

Chehalis, WA
