June 7-19

Tribal Researchers' Cancer Control Fellowship Program

For more information and to apply:
Visit <http://www.npaihb.org>
E-mail Ashley Thomas at athomas@npaihb.org

Topics will include (not limited to):

- Cancer control study design
- Cancer epidemiology
- Cancer screening
- Cohort studies among American Indians
- Community-based chronic disease programs
- Cultural considerations in cancer epidemiology
- Focus groups
- Grant writing
- Implementing a Native comprehensive cancer prevention and control project

To apply:

Applications are encouraged from American Indians and Alaska Natives with a demonstrated interest in cancer prevention and control. Applications will be available in January and due in March.

Accepted Fellows will:

- Attend a two-week training in June 2020
- Attend a one-week training in Fall 2020
- Receive peer and career mentorship to develop and implement cancer control projects
- Be eligible for paid internships
- Be connected to a network of experts in cancer control and prevention in Indian Country
