

# Washington Tribal Environmental Health Summit

“Emerging Roles for Tribal Governments:  
Promoting Health Through Healthy Environments”

## SAVE THE DATE!

**Dates:** January 7th—9th, 2018

**Location:** Great Wolf Lodge, Grand Mound, WA

The environment impacts the health of Tribal communities. Tribes have increasing responsibilities for such issues as food safety, air quality, disease outbreaks, and environmental change impacts on community health. The Summit will bring together Tribes, the State Department of Health and other key partners to begin identifying environmental health priorities of Washington Tribes, learn from each other, and discuss strategies for building and strengthening partnerships.

SOME TRAVEL REIMBURSEMENT AND HOTEL ACCOMMODATIONS AVAILABLE PER TRIBE. ADDITIONAL DETAILS COMING SOON WITH A REGISTRATION LINK!
