## LEGAL NOTICE

Pursuant to 42 CFR § 447.205, the Idaho Department of Health and Welfare gives notice of its proposed change to the Idaho State Medicaid Plan.

The proposed change will update primary care physician codes and pay rates. Primary care physician codes related to a specific group of providers will be paid through an alternate fee schedule at 100% of the Medicare rate. The specific group of eligible providers includes all specialist and subspecialist recognized by the American Board of Medical Specialties within the three specialty designations: family medicine, general medicine, and pediatric medicine. For physicians who are not certified by the American Board of Medical Specialties, a method is defined for determining eligibility that aligns with the methods used for the Medicare Incentive Payments for Primary Care.

The proposed changes are in accordance with section 1202 of the Health Care and Education Reconciliation Act of 2010, which requires States to increase Medicaid reimbursement for certain primary care services in 2013 and 2014. (77 Fed. Reg. 66,671.1)

The effective date is January 1, 2013. The estimated cost of \$9.5 million is 100% federally funded per the affordable care act (ACA).

No public hearings have been scheduled at this time.

For technical questions, or to review the changes, call Robert Kellerman at (208) 364-1994, or e-mail the request to [kellermr@dhw.idaho.gov](mailto:kellermr@dhw.idaho.gov)
