Eligible participants will:

- Have a current RN, NP, PA, MD or DO license
- Have two years of nursing or clinical experience Work with victims from at least one of the 43 federally recognized tribes in Oregon, Washington, or Idaho
- Be actively participating as a RN, NP, PA, MD or DO*
- Have support from their medical center to attend

*Active practicing RNs, NPs, Pas, MDs and DOs have an average of 20 hours per week of patient contact.Training Location

The 2013 SANE Training will be held at the Northwest Portland Area Indian Health Board, 2121 SW Broadway, Suite 300, Portland, Oregon 97201.

Cost

This training is free of charge and all expenses paid including mileage, lodging, and per diem.

About the SANE Training

The 2013 Tribal SANE Training will be held September 30th-October 4th. Sessions will be from approximately 8:00 am to 5:00 pm Monday through Friday. You must attend the entire training in order to be eligible and receive credit.

The 40-hour training will provide instruction on how to:

- Obtain a relevant medical history from sexual assault victims
- Conduct a physical examination specific to the medical history
- Document injury using photography, bodygrams and charting
- Collect and preserve evidence
- Collect and document urine and blood samples when drug facilitated sexual assault is suspected
- Complete a Sexual Assault Forensic Evidence (SAFE) kit and maintain chain of evidence
- Provide the victim with prophylactic medications and/or emergency contraception for the prevention of sexually transmitted infections (STIs) and pregnancy
- Treat and/or refer the victim for medical treatment
- Work as part of a victim-centered and multidisciplinary response

Application

Space in this training will be limited to a maximum of 24 participants. Please describe, in detail, the extent to which you work with tribal populations in your application.

Please contact Jenna Harper, Training Coordinator, with questions, via email [here](#) or 503-990-6541.

This project is supported by Award No 2011-NE-BX-K569, awarded by the National Institute of Justice, Office of Justice Programs, U.S. Department of Justice.
