WHEREAS, the goals of this initiative are consistent with the goals and objectives of both the NPAIHB and CRIHB.

NOW THEREFORE BE IT RESOLVED that the NPAIHB and CRIHB endorse and support this initiative to eliminate HCV among AI/ANs living in California, Idaho, Oregon, and Washington, by:

- Enhancing HCV prevention, testing and linkage to care services for people who inject drugs, people who are incarcerated, men who have sex with men, and other populations disproportionately impacted by HCV infection;
- Expanding HCV screening to identify people living with HCV who are unaware of their status and link them to care;
- Providing access to HCV treatment without restrictions, and ensure the availability of necessary supportive services for all American Indian and Alaska Native people living with HCV infection;
