

1. What will coalition look like in 5 years?

a) Develop toolboxes for Tribal communities that will best fit them for sovereignty.

b) Each tribe and partners will have 2 representatives at the table.

c) Canneries and gardens will be developed to feed people.

How sovereign are you if you can't feed people. Remove barriers to accessing food.

e) Develop native plant and tree survey.

f) Tribes will have feeling of belonging and organization (Oneida Tribe example of food sovereignty).

g) Youth Involvement in coalition.

h) Expand paradigm – How healthy are our food, water?

i) Networking with each other – share and trade food with other tribes.

j) Develop partnerships across tribes and urban groups.

k) Plan traditional food day. De-colonize diet (Michigan)

l) Provide nutrition facts (Victoria could provide assistance.) This could help develop tool boxes.

m) Create strong messaging (youth). Develop policy piece/educate.

n) Respond in timely manner to requests for assistance. Develop sustainability so the work would continue.

o) Develop sustainable food systems (food forests, ranch, sell or barter surplus online.

p) Food policies (ban GMO's and develop best practices).

q) Pass laws and develop policies that will be upheld by states to support health and wellness.

r) More intertribal collaboration with organizations (CRITFC, ATNI, NYLA).

2. Long Term Visions (Wordsmith)

a) Decrease barrier access to traditional food for all communities.

b) Increase access to foods and medicine to combat chronic diseases and create tribal sovereignty.

c) Increase healthy food consumption for tribal elders and school lunches (Ex. MOU and MOA).

d) Remove barriers that prohibit hunting and fishing on usual and accustomed lands and rivers, etc.

- e) Create tribal permits for a balance of harvesting practices.
- f) Strength based perspectives.
- g) Develop holistic practices for youth.
- h) Define tribal sovereignty
 - i) Working group for vision of what long-term goals look like.
 - j) Define barriers – work thru them. Provide education.
- k) Increase exercise of sovereignty
- l) Develop and work for inter-agency MOU/MOA's
- m) Protect lands from being destroyed by commercial pickers, ATV's etc.

What will coalition look like in 2 years?

- a) Short term vision.
- b) Representation from all regional tribes (resources)
- c) Priority
 - i Develop Indigenous Day of Celebration of traditional foods and cultures.
 - ii Collaborate, share and develop curriculum to develop regionally.
