

WA DOH Parenting Teens

- Improve healthy futures for AI/AN expectant and parenting teens, women, fathers, and their families.
- Connect them to culturally-appropriate services, programs, resources, and referrals.

WA DOH Parenting Teens

- Partnerships with:
 - State of Washington Department of Health
 - Washington Tribes
- 1-year project
 - November 2018-June 2019

WA DOH Parenting Teens

- Address the challenges of early childbearing in teens and young adults.
- Focus on high school attainment and education achievements.
- Life-affirming support services.
- Public awareness and education about services and resources.
- Parenting skills and ways to strengthen their marriages.

Support Activities

- 3 tribes, schools, and institutions of higher education
- Staff FTE and training
- The implementation of community-selected interventions
 - E.g. Family Spirit, GRADS, etc.
- Teen parent case management and referral services
- Federally-approved indirect rates

Support Activities

- Deliver services to (30) AI/AN expectant and parenting teens.
 - MOU
 - Data Sharing Agreement
- Point of Contact
- Host Local Advisory Board including parenting teens
- Participate in partner meetings with State, regional, and local partners.
- Provide direct services and/or linkages and referrals.

Input from Tribes
