#### The Caregiving Community Survey

The National Indian Council on Aging has launched a new online survey for caregivers of older adults and we want to hear from you. If you're caring for an aging spouse, partner, family member or friend, you may need support. The Caregiving Community Survey was developed to better identify the needs of caregivers. # Youth Engagement in Sports: Collaboration to Improve Adolescent Physical Activity and Nutrition (YES Initiative)

The YES Initiative seeks to identify characteristics of effective collaborations that improve physical activity and nutrition via increased sports participation. YES Initiative applicants should propose to address unhealthy physical activity and nutrition behaviors among racial/ethnic minority and socio-economically disadvantaged youth (including, specifically girls), and provide opportunities to learn skills and gain experiences that contribute to more positive lifestyles and enhance their capacity to make healthier life choices.
