**“Centers for Disease Control and Prevention - Tribal Public Health Capacity-  
Building and Quality Improvement Umbrella Cooperative Agreement:  
2021 Supplement Proposals”**

**WHEREAS**, the Northwest Portland Area Indian Health Board (hereinafter “NPAIHB” or the “Board”) was established in 1972 to assist Tribal governments to improve the health status and quality of life of Indian people; and

**WHEREAS**, the NPAIHB is a “tribal organization” as defined by the Indian Self-Determination and Education Assistance Act (P.L. 93-638 seq. et al) that represents forty-three federally recognized tribes in the states of Idaho, Oregon, and Washington; and

**WHEREAS**, in accordance with the definitions of the Indian Self-Determination and Education Assistance Act at 25 USC § 450b, a tribal organization is recognized as a governing body of any Indian tribe and includes any legally established organization of Indians which is controlled, sanctioned, or chartered by such governing body or which is democratically elected by the adult members of the Indian community to be served by such organization and which includes the maximum participation of Indians in all phases of its activities; and

**WHEREAS**, the NPAIHB is dedicated to assisting and promoting the health needs and concerns of Indian people; and

**WHEREAS**, the primary goal of the NPAIHB is to improve the health and quality of life of its member Tribes; and

**WHEREAS**, the NPAIHB was awarded under CDC-RFA-OT18-1803: Tribal Public Health Capacity-Building and Quality Improvement Umbrella Cooperative Agreement (Award #: NU38OT000255) and is therefore eligible to apply for supplemental funding opportunities available via this mechanism in FY2021; and

**WHEREAS**, the supplemental funding topics of interest in FY 2021 include building the tribal public health workforce through student engagement, improving tribal data sharing capacity, and the implementation of tele-education for adverse childhood experiences and violence prevention among the AI/AN population through Project ECHO.

**THEREFORE, BE IT RESOLVED** that the NPAIHB approves the submission of a grant application for the three supplement topics outlined above in response to Centers for Disease Control and Prevention announcement # CDC-RFA-OT18-18030401SUPP21 for an estimated project period of 12 months from date of award.
