What are your needs in public health and health care before, during, and after a disaster?

How can researchers best support you to address these disaster-related needs?

A stylized illustration of a group of six people (three men and three women) shown from the chest up. They are wearing various colored shirts: teal, orange, red, green, blue, and purple. Above them are several colorful speech bubbles in shades of purple, red, orange, and blue. A dark blue horizontal banner is positioned across the middle of the image, containing the text 'Today's recap' in white.
