An illustration of a person with dark skin and short black hair, wearing a black t-shirt with a red and white circular logo. Their right arm is raised with a clenched fist. To the right, a white paper airplane with a purple heart on its tail is flying towards the right. A dashed white line connects the person's head to the paper airplane. The background is a gradient of purple, orange, and yellow with large, soft-edged circles in these colors.

If you haven't heard it today,
