## What is *YOUR* story?

Can you share an experience where a climate event or related emergency impacted *you, your family or a member of your community?*  
(i.e., wildfire smoke event, extreme heat event, flooding event, power outage)

**What or Who Made a Difference in Your Story?**

**What Program or Resource (or Person) Made a Difference?**

**What or Who Could Have Made a Difference?**

(i.e., Another program? A champion? A formalized relationship?)

## How Can We Fortify and Formalize Our Networks?

As We Move Into More Heightened Climate Events and Emergencies,  
How Can We Strengthen Our Key Relationships and Networks?
