Native American Research Centers for Health | Northwest Portland
Area Indian Health Board

Accepted fellows will attend a two-week summer training June 8-19, 2026, receive distance learning, peer and career mentorship, travel awards to attend national conferences, and be connected to a network of experts in cancer control and prevention in Indian Country. Travel costs associated with attending the training will be covered by the NW NARCH.

Featured Topics Include (not limited to):

- ▶ Cancer control study design
- ▶ Cancer epidemiology
- ▶ Cancer screening
- ▶ Cohort studies among American Indians
- ▶ Community-based chronic disease programs
- ▶ Focus groups
- ▶ Grant writing
- ▶ Cultural considerations in cancer epidemiology
- ▶ Implementing a Native comprehensive cancer prevention and control project
